Download Modern Combat 5: Blackout For PC,Windows Full Version Overview Modern Combat 5: Blackout is an first-person shooters game.. As a single player you will have to expose an outrageous shooter who is shooting around.. Each stage of MC5 is divided into different chapters Each chapter has your standard run-and-gun stages, objective-based stages that involve tasks such as defusing bombs, and a multiplayer stage.. To save space, chapters are downloaded as you progress There's plenty of weapons to choose from and you also have a squad which features four different classes: assault, recon, heavy, and sniper.. This is the best way to take advantage of the squad feature which allows you to easily join up with your friends and join the fight.
